## TRANSPORTATION FROM PEARSON AIRPORT

---

### UBER

\$\$

The modern-day taxi you may call it, Uber is one of the most cost-effective and simple ways to get from the airport to your hotel (Sheraton) in the downtown core.

UberX and UberXL for those traveling in a large 'pack':

Your Air Transat flight will land at **Terminal 3**, head to the exit doors marked **Door D** where your driver will meet you.

Follow the signs to cross the street and wait at the blue-painted curb at **Zone 3**, where your driver will meet you.

\$

The UP Express train runs every 15- minutes and will have you in the downtown core in 25-minutes

It gets the name UP Express for a good reason, this train goes directly from Pearson Airport and will have you downtown at Union station in 25 minutes. Designed to be easily accessible with luggage and it great for a single person or couples traveling.

For parties of 4 or more, we suggest you use Uber or the Toronto Pearson Limousine services as the cost for 4 or more on the UP Express works out to be around the same price.

**Adult One Way:** \$12.35

**Children Under 12** FREE

**Time:** 25 minutes

Once you have arrived at Union station you can walk up York St. then make a right turn onto Queen St. and you will arrive at the Sheraton. This walk takes an average of 15 minutes. But if you wish to take a Taxi or Uber, outside Union station on Front St. you will find taxis waiting to take you to your destination.

**NOTE:** Majority of Taxis in the city take credit cards or debit cards for payment, so be sure to ask before you depart on your journey.

## Toronto Pearson Limousine \$\$\$

TORONTO  
WOLFPACK

← When you see our logo next to a suggestion, it means we think it is the best offer!

Looking to travel from the airport to the downtown core in style, here is how you can get from Pearson to the front door of the Sheraton Hotel in an airport limo. Easy to access and excellent value for those traveling in a group, or those who don't prefer to travel light.

- You will see exit doors at **Terminal 3** which will be marked "Limo."
- Head there, and you will find a car bay of airport limousines and their drivers eagerly awaiting your arrival to assist you on your journey.

## Toronto City Taxi \$\$\$\$

A classic form of transportation, though not the most affordable or friendly way to commute from the airport or throughout the city.

- We feel they are not the friendliest form of transportation, but if you must choose to use one. Head to the exit doors at **Terminal 3**, and you will see a sign marked "Taxi"

**NOTE:** Majority of Taxis in the city take cards, but be sure to ask before you depart on your journey.

Airport to the downtown core has a flat rate of **\$70**

The flat rate from Pearson to downtown is an affordable **\$64.00** for a Standard Sedan (seats 1 -4)

**NOTE:** You can upgrade to an SUV or Sedan for \$15 (seats 6)

### **CANADIAN WELCOME AND PICK ME UP**

#### **Tim Hortons**
